

Procedure for Securing Accommodation in the Halls of Residence (2021/2022 Academic Session)

Dear UI Undergraduate,

Kindly note that:

- 1. The Halls of Residence will open for the 2021/2022 Academic Session on 30 January, 2022.**
- 2. Only Students who have been vaccinated against COVID 19 will be accommodated in the Halls of Residence.**

The following is the procedure for obtaining accommodation in the undergraduate Halls of Residence (HoRs) during the 2021/2022 Session. **Please note that accommodation will be offered on a first come first served basis.**

1. Assignment of Fresh Students to HoRs (23 Jan., 2022)

ITeMs will publish the Hall affiliation of fresh students.

2. Expression of Interest by Eligible Students (Starting 24 Jan., 2022)

Eligible Fresh students will be expected to secure accommodation slots by **paying Accommodation Fees on or before 28 January 2022**. The payment portal will be open as from 24 January, 2022.

Final year students and other eligible returning students will be expected to secure their accommodation **by paying Accommodation Fees between 31 January (when the portal will be open to them) and 3 February, 2022**. The following are the categories of students eligible for accommodation in the 2021/2022 academic session:

Those Eligible for Accommodation

- i. 100 level students.
- ii. Final year students.
- iii. Physically challenged students.
- iv. 300 level preclinical students.
- v. Nursing students due for professional examinations.
- vi. Veterinary medicine students due for professional examinations.

3. Access to HoRs

Upon payment, each eligible student will be assigned a room online by the Warden of the HoR. **The HoRs will open to fresh students on 30 January, 2022, and to eligible returning students on 6 February, 2022**. The difference in the dates is to allow for the portal to be open to only bona fide returning students. Only those who have been assigned rooms by the hall wardens will be allowed into the HoRs. Upon arrival, those cleared will

be offered provisional accommodation. This provisional accommodation will only be confirmed upon the completion of registration with the University Health Service (Jaja Clinic).

4. Other Requirements for residing in the HoRs

- i. All Students resident in HoRs must be vaccinated against COVID 19.**
- ii. Each resident of the HoR is required to wear a face mask when outside his or her room. Every resident is required to provide his or her personal COVID protective items, such as face masks and hand sanitizers.
- iii. Residents are required to wash hands frequently, but certainly upon returning to the HoR.
- iv. At least till the end of the first semester, only Hall residents will be permitted in the HoRs.
- v. Note that “squatting” is highly prohibited.
- vi. Third-time infractions of COVID preventive requirements will attract ejection from the HoR.

Here is wishing you all safe trips and an academically fruitful 2021/2022 academic Session.

Best regards,

Prof. I. A. Abiona
Dean of Students
