1.1.3 REGULAR MEETING OF SENATE HELD ON FRIDAY, 03 AUGUST, 2018.

Interim Report of the Ad-hoc Committee on Student Crisis – Paper No. 6347

Senate approved the recommendations as follows:

1. The Management should ensure that issuance of students' identity cards is given top priority. The Committee noted that the Management has made provision for digitalized identity card that will serve multiple purposes.
2. That the use of hot plates should remain prohibited for the safety of lives and properties in the halls of residence in compliance with the ethics rules in the halls of residence. This will also help to minimize the costs of energy bills.
3. The welfare of students should be guaranteed from time to time in the University. The Student Welfare Board which is a statutory committee set up by the Vice-Chancellor should be made fully functional.
4. The Student Disciplinary Committee should ensure discipline among students both in learning and character. Whenever students are arraigned before the CSDC, the purpose should be to ensure fair trial and to serve as a means of correction.
5. Henceforth, the Student Affairs Division should ensure that the preliminary conditions for the calling of Congress are strictly adhered to.
6. To forestall incessant/unlawful calls for congress, all students must be given an opportunity to express their opinion through electronic voting system.
7. That Students Executive Council should exhibit responsible governance and explore the ideals of democracy through collective bargaining process in resolving grey areas with the University administration.
8. That in the exercise of the right to protest in future, the students should comply with the rules of public procession and avoid actions that may lead to breakdown of law and order. The blockade of highway must be avoided at all times.
9. That rusticated students should not be allowed into the halls of residence while serving the terms of punishment.
10. That whenever it is expedient for the management to address students on any issue concerning their interests, the Vice-Chancellor should delegate such responsibility to one of the Deputy Vice-Chancellors or Dean of Students. The Vice-Chancellor does not need to appear in person.
11. Students should accord respect to the University administration and shall not insist on the Vice-Chancellor addressing them in person.
12. That restoration of student unionism should be effected as soon as Senate investigation into the last students' crisis is concluded to facilitate students participation in the affairs pertaining to their common interest. However, such participation should with high sense of responsibility and decorum.

- Report of Tenure as a Representative of Congregation at Senate of the University of Ibadan from 2016 to July 2018 – Paper No. 6451.

Senate approved the recommendations from the Board of Postgraduate School as follows: that;

- (i) The Postgraduate School, University of Ibadan has what it takes to be transformed into a Postgraduate College and should be so transformed.
- (ii) The proposed Postgraduate College should be headed by a Provost and should enjoy all the privileges and responsibilities of the office of a Provost as recognised in the enabling acts of the University of Ibadan.
- (iii) The Provost of the Postgraduate College should be assisted by two Deputy Provosts in the day-to-day running of the college.
- (iv) The Deputy Provosts must be Professors
- (v) The two Deputy Provosts should be designated as Deputy Provost (Administration) and Deputy Provost (Academic).
- (vi) The Provost should emerge through election in accordance with the election procedures for the Dean of the Postgraduate School and not by selection. The election shall be ratified by the University Council.

- (vii) The office of the Provost shall be open to all professors in the University and the elected Provost shall hold office for one single term of four years only, beginning from the 1st day of August of the year in which he is appointed.
- (viii) The Provost shall nominate two candidates for election into each of the two offices of Deputy Provosts, the Board of the Postgraduate College shall vote to elect each of the Deputy Provost positions.
- (ix) The Deputy Provosts shall hold office for a term of two years which can be renewed for a final term of two years.
- (x) The proposed Postgraduate College should have all the privileges of a College as recognised in the enabling Act of the University of Ibadan in terms of financial, administrative and academic matters, that is, the Postgraduate College should have semi autonomy in terms of administrative, academic and financial matters. This will help the College to improve on its efficiency and to cope with increasing responsibilities.
- (xi) The organogram of the proposed Postgraduate College should be as specified in Appendix 1.
- (xii) The duties of the Provost, Deputy Provost, Secretary to the College and the Financial Controller should be as specified in Appendix 2.
- (xiii) The compositions of the present statutory committees of the Postgraduate School should be retained in the proposed Postgraduate College namely, the Board, the Executive Committee and the Curriculum Committee. The functions of the Board/Committees shall be as specified in Appendix 3.
- (xiv) The Finance Committee of the Postgraduate School should retain its present structure but should be chaired by the Provost.

1.2. Accreditation Exercise for the Undergraduate Programmes in the University.

The quality assurance mechanism in the University is of utmost importance to its Management. As we are all aware that quality assurance in the university system implies the ability of the institutions to meet the expectations of the users of manpower in relation to the quality of skills acquired by their outputs. Equally, it refers to the ability of the universities to meet certain criteria relating to academic contents, staff-student ratios, staff mix by rank, staff development, physical facilities, funding, and adequate library facilities. Adequacy of various inputs in the university system, in terms of quality and quantity, exercises tremendous influence on quality assurance in the university system. In this wise, the University has strengthened the Mock Accreditation and University Webometric Ranking Committee because of the enormous task before it, to see that the mentioned criteria above are met or surpassed by the University before the major accreditation exercises in 2019, when about sixty (60) out of eighty two (82) programmes in the University will be visited by the National Universities Commission (NUC) Accreditation Panels. Similarly, several professional bodies like the Medical and Dental Council of Nigeria will be visiting to accredit programmes in our College of Medicine.

Below is the list of academic programmes in the University of Ibadan and the year that they are due for accreditation.
